slide **ELF** over one end of the wrap

pull edge of the paper through the blade slot opening

gently push **ELF** away from you creating a perfectly straight cut

**Retail Tip:**

Many of our specialty wraps such as glittered and premium foil stamped krafts are often a challenge for clear tapes that do not have enough "stick" for the porous surfaces of these substrates.

Our self-adhesive dots are the perfect solution for an easy and flawless seal on all wrapped packages.
