

TR  LLBEADS

THE ORIGINAL SINCE 1976

A LEADER IN CRAFTSMANSHIP & DESIGN

Trollbeads started life in 1976 in a small jeweler's shop in Copenhagen, Denmark as the original bead-on-bracelet brand.

Trollbeads is an artisan collection of interchangeable jewelry pieces. Our products include beads on bracelets, necklaces, earrings, rings and accessories. At the heart of the collection are the beads themselves. Each piece has its own little history, taking its inspiration from mythology, astrology, fairy tales, fauna, spirituality, cultural diversity, and last but certainly not least, in the familiar things of everyday living.

Part of Danish Design legacy that is known for its simplicity, functionality and quality, design is what drives Trollbeads. To this date, more than 60 designers have contributed to the collection. Trollbeads has won international artistic recognition and has been exhibited at Sculpture Objects & Functional Art in Chicago and New York.

Every piece of Trollbeads jewelry is crafted in the highest quality and materials, including 18-karat gold, sterling silver, Italian glass, freshwater pearls, amber and natural gemstones, and is created from a blend of traditional and modern techniques... a small piece of art with a precious story.

The detailed craftsmanship of Trollbeads' jewelry is only truly complete when you match the different components that tell your stories in your own personal way. Individuality and the meaning attached to each bead is the true beauty of Trollbeads.

EVERY STORY HAS A BEAD

Trollbeads is an ideal product line for gift shops and boutiques because of the emotional significance our brand holds in the lives of our customers. Each bead has meaning and a story to tell.

Our concept is founded on the belief that our lives are built of stories, memories, and moments. Trollbeads gives your customers a chance to symbolically carry these memories with them always, serving as a token that marks important milestones and life events.

By stocking Trollbeads, your shop will offer the perfect products for celebrating birthdays, cherishing loved ones, reminiscing about a recent holiday, channeling the properties of natural gemstones, and more!
